

# Art, Design & Creative Studies (Fashion) Level 1

## Course content

### Using & handling media and materials in art and design

Basic introduction to materials used in fashion and the exploration of some simple techniques.

### Researching & Developing ideas through practical application of techniques

How to plan, research and develop creative ideas for original designs.

### Working to a brief in art and design

Working on a set project to create a decorative fashion item.

## Who is the course for?

Beginners with an interest in fashion who want to learn how to develop their own original creative ideas and obtain a qualification.

## Assessment method

Continuous assessment of practical work throughout the course and a formal assessment of the final set project. All 3 units must be achieved before a certificate is awarded.

## Entry requirements

An interest in fashion and design. Learners must have basic literacy skills and be able to write their own simple notes.

## Future opportunities / career options

Progression on to a Level 2 course.

## When the course is run?

Daytime, 3 hours per week. 36 weeks per year
